

Desert Fish Studios

As of May 19th, Ontario has launched the 1st phase of reopening, which includes recording studios as part of the process. As much happy as we are to be able to help our dearest clients continue creating fantastic content, the health and safety of our clients and employees are of our utmost priority. Desert Fish Studios have re-opened to clients, with the following conditions and policies in effect to best protect our clients and team members and to help stop the spread of COVID-19.

1. Any individual who enters the studio is asked to immediately use hand sanitizer or wash their hands with soap (both provided at the entrance of the studio).
2. The maximum group we can accommodate in the control room is 4 persons. This does not only include performers, but also any personnel that comes along.
3. Anyone showing symptoms related to COVID-19 or have had known contact with COVID-19 will not be permitted to enter the studio.
4. Everyone in the studio are asked to keep social distancing all the time to their best effort.
5. We kindly ask all clients to wear face masks at all times during their stay in the studio unless it's necessary to expose their mouth and nose for performing purposes.
6. We kindly ask our clients to refrain from touching surfaces and equipment in the studio unless necessary.
7. We kindly ask our clients to bring their own water/hot drinks or their own cups/containers. We won't be able to provide dishes nor cutlery at this time.
8. Headphones, music stands, chairs, piano and other equipment used in recording sessions will be sanitized before use.
9. During all vocal, woodwind, brass recordings up to 4 persons are allowed to stay in the same recording area. The recording floor and equipment will be immediately sanitized after every use. The same microphone for vocal recordings can only be used by max 1 person at a time.
10. We kindly ask all musicians to remove sheet music on stands after each session.
11. During this time, we will not be able to accept cash as payment method.
12. We will temporarily suspend any catering requests.
13. We kindly ask our clients not to leave any refuse/trash in the studio.
14. We strongly recommend clients with mixing, mastering or any post-production need to work remotely with us. We are equipped with Source Connect that provides low-latency, high-definition remote monitoring, allowing you to collaborate with us real-time, while enjoying the safety and coziness of home.

Thank you very much for your understanding. As always, Desert Fish Studios welcome all and we are committed to create the best sound for your musical and acoustical creations.
